Bron: OpenStreetMap

A detailed map of the Moorslede area, showing a network of streets and paths. The map is overlaid with colored lines indicating the status of the street network. Green lines represent segments to be maintained, orange lines represent segments to be replaced, and red lines represent segments to be removed. Brown lines indicate walking and cycling routes. Blue lines represent existing paths from the 2021 register. The map also shows various landmarks, including a large lake (De Oude Venen) in the upper right, and a railway line running vertically on the right side. The map is surrounded by a legend in the top left and a scale bar and north arrow in the bottom left.
